

The Challenges of Spring Weather Sponsored by Willamette Valley Chapter of Women in Aviation

Spring is coming, eventually. Though we're excited for its arrival, it brings with it a variety of interesting and severe weather patterns to keep an eye out for, like thunderstorms, strong wind shear, and maybe even small tornadoes!

Directions: DRIVE IN - Two miles south of Wilsonville, just off I-5. 1/4 mile south of Arndt Rd.

FLY IN - Taxi to the very north end of the Aurora airport. Park on the ramp between the fuel island and the FBO building. AVOID OVERFLYING POPULATED AREAS.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
